# whiteboards and pinboards

Standard Frame Corkboard

The Standard Frame Corkboard provides a natural look for your home or office, with the environmentally-friendly surface making it sustainable as well as highly practical. The aluminium frame with concealed fixtures and rounded corners allows you to easily install the board flush on your wall, making for a sleek aesthetic. A wide range of sizes, including custom, are available so you can find the perfect corkboard for you workplace, home office, school or club.
