

Krommenie Framed Pinboard

The Krommenie Framed Pinboard is our premium pinboard, offering the best in durability, style and practicality. Made from rubber, linseed oil and compressed fibres, Krommenie lasts longer than any other surface due to its unique self-healing properties. The 20mm wide aluminium curved frame with concealed fittings gives the board a seamless look, and makes for quick and easy installation with four corner screws for mounting. With a range of sizes, including custom, and 15 stylish colours available, you're sure to find a board to suit your home, school or workplace.
