

Porcelain Whiteboard

For heavy-duty use in schools, universities and meeting rooms, our Porcelain Whiteboards provide the essential strength and longevity you need. The ultra-smooth vitreous enamel surface enables all types of markers to glide easily with minimal friction, eliminating ghosting and improving erasability. The CeramicSteel surface is highly resistant to wear and damage.

FEATURES

- Hard-Wearing Magnetic Porcelain Surface
- PolyVision e3 CeramicSteel Surface
- Designed For Heavy-Duty Use
- Scratch and Stain Resistant
- 25 Year Warranty

Standard marker ink is easily erased with a cloth or standard eraser, while permanent and semi-permanent inks can be removed with a whiteboard cleaner.
