

Vertiface Framed Pinboard

The Autex Vertiface Framed Pinboard is a low maintenance and highly durable pinboard for the office or classroom. The board is 100% recyclable due to the polyester surface, which is easily pinnable and accepts Velcro – making it ideal for learning environments. The aluminium frame with concealed corner fixings provides a clean look, while the unique mounting design makes it easy to install the board in either portrait or landscape. 38 colours and a range of sizes, including custom, are available so you can create the perfect pinboard to suit your space.
