

Accent Ceiling Tile™

● Accent Ceiling Tile™
in Flatiron

● RMIT Building 201,
Australia

Unparalleled simplicity

The Accent Ceiling Tile™ is a simple, unassuming, high-performance acoustic tile designed to fit within standard grid systems, and comply with typical loading standards. Made from non-woven, needle punched 100% polyester fibre, the tiles are lightweight yet sturdy, so they will not chip, crack, or break. Each Accent Ceiling Tile is double sided, with one smooth white face, and one colourful, lightly dappled face; simply mix and match colours and textures for a pop of personality.

Caring for the environment

Accent Ceiling Tile is manufactured using 100% polyester fibre and contains a minimum of 60% recycled fibre (from PET plastics). Our products are designed to be recycled at the end of their life too.

We have continual improvement programmes in which we implement a range of initiatives to mitigate the environmental 'hotspots' that we have identified. Our products are GreenRate Level A, Health Product Declaration (HPD), and CDHP Standard certified.

Accent Ceiling Tile is DeclareSM certified to be Red List free and can be used in Living Building Challenge projects. Autex has a high functioning Environmental Management System (ISO 14001) to enhance our environmental performance and contribute to sustainable development.
