

Slimline Acoustic Pinboard

For a versatile and environmentally-friendly pinboard, the Slimline Acoustic Pinboard provides all the features of a regular pinboard with the added advantage of acoustic properties. The lightweight surface is made from Autex Cube acoustic material. It is highly durable and helps to reduce reverberated noise, as well as being easily pinnable. The super-stylish slimline frame provides a sleek and modern look and allows for easy installation. With a huge range of colours to pick from and multiple sizes (including custom) available, you can create the perfect board to suit your space!
